The Delphi Centre Sudbury

Newton Road, Sudbury

**Wedding Receptions ♦ Parties ♦ Dinner Dances
Concerts ♦ Meetings ♦ Conferences ♦ Exhibitions**

Delphi Centre Facilities

The Delphi Centre is situated in Sudbury and provides facilities for sporting and leisure activities. It boasts a magnificent ballroom and lounge area, which can cater for weddings, birthday parties and a wide range of social functions

The Ballroom has a capacity to seat 120 without encroaching onto the dance floor or 200 with a smaller dance floor. Incorporating the lounge increases the facility to 300

The Ballroom has a sprung maple dance floor of approximately 20 metres x 10 metres and a raised stage of approximately 10 metres x 5 metres

For a Wedding or Dinner round tables, seating 8 or 10, can replace conventional rectangular tables if preferred (this would only be possible if a dance floor is not required)

A fully licensed and staffed bar is included in the hire charge

Full kitchen facilities are included in the hire charge for use by your chosen caterer (a list of recommended caterers is available)

The Delphi Centre benefits from having a lift

Adequate car parking is available at the Club

Grass Playing Field of 1.75 acre for hire
